## Olive oil - Vinegar & Syrup

screwcap

## A seal of freshness, a taste of tradition with VINTOP Olive oil - Vinegar & Syrup

**VINTOP Olive oil - Vinegar & Syrup** safeguards the freshness and exceptional quality of your product. Our screwcap technology guarantees an airtight seal, effectively preventing any external contamination from compromising the purity of the oil.

Offering a comprehensive range of design technologies, including **Lithography/Offset printing** (Top and Side) and **Hotfoil printing** (Top and Side), **VINTOP** allows you to create a modern and distinctive look for your bottles.

In addition to its superior sealing capabilities, **VINTOP** provides a wide selection of pourers, including those with cross-shaped and jumper designs, as well as our **Non-Refillable Pourer** anti-counterfeit system. These pourers not only enhance the user experience with precise, controlled pouring but also provide added security, ensuring that the integrity of your product is maintained from bottle to table.

By preserving the product's quality over time, **VINTOP** guarantees that every drop of your olive oil, vinegar, or syrup retains its natural essence and taste, delivering an exceptional experience to your customers.
